RE: Application of Carolina Water Service, Inc. for adjustment of Rates and Charges and Modification of Certain Terms and Conditions for the Provision of Water and Sewer Service
DOCKET NO.: 2011-47-WS

Dear Mr. Dong:

On December 7, 2011, the South Carolina Public Service Commission ("Commission") issued its directive denying the Petition for Rehearing of Commission Order 2011-711 filed by Carolina Water Service, Inc. ("Carolina Water"). Carolina Water intends to appeal both Order No. 2011-711 and the Commission Order denying its Petition for Rehearing or Reconsideration. While the Commission Directive of December 7, 2011, does not expressly state or indicate that a more full and complete decision is to follow, the clear inference from a reading of the Commission Directive indicates that a full and complete decision is to follow.

In light of S.C.A.C.R. Rule 203(b)(6), Carolina Water wishes to clarify this matter and accordingly, I would request that you confirm that the Commission will issue a more full and complete decision denying Carolina Water's Petition for Rehearing or Reconsideration.

If counsel or you have questions, please feel free to contact me.

Sincerely,

Elliott & Elliott, P.A.

Scott Elliott
