2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I'm protesting the unreasonable rate increases requested from the Tega Cay Water Service for our water services. This company already received high increases to cover alledged upgrades and unusual maintenance and now they request even more. TCWS continues inferior service at above average rates while holding out on the City's request to negotiate a reasonable sales price for the system. They have the proverbial "Golden Goose" here and want to milk the cities people dry.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

Not at this time.
