Customer of company.
Tega Cay resident.
Lake front home owner.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Rate hikes have occured in the past with promise to fix treatment stations and water/sewer lines but haven't been done. The smell of sewage is prominent in some areas around the lake. My children swim in the lake and I want the assurance that it's not contaminated with fecal material from overflowing pump stations and leaks in the lines!

No.
