RE: Docket #2008-5-G

Dear Sir:

I am unable to attend the July 8th hearing for the annual review for SCE&G gas purchasing policies. Please allow me a voice via this letter to speak as a Scana stockholder as well as a consumer of their products. In the troubled economic climate of our country at this time, every effort needs to be made to hold the line on prices whenever possible! Our citizens, particularly seniors, are struggling to make ends meet. We need the government's help — Can we count on yours?

Sincerely, (Mrs) Harriet Warshaw
