RE: Application of Budget Prepay, Inc. d/b/a Budget Phone for Designation as a Non-Rural Wireless Eligible Telecommunications
Amendment to current Non-Lifeline and Lifeline Rate Plans
Docket No. 2011-294-C, ELS File No. 051959-011775

Dear Jocelyn:

Budget Prepay, Inc. d/b/a Budget Phone ("Budget") filed amendments to its current Non-Lifeline and Lifeline Rate Plans with the South Carolina Public Service Commission ("Commission") on May 30, 2013. Budget published a Notice of Filing in newspapers of general circulation and thereafter filed its affidavits with the Commission on July 2, 2013. No person objected or sought intervention prior to the return date established by the Notice of Filing.

Accordingly, because the amendments in question were filed for informational purposes, Budget requests that Commission take no further action on this matter. The Commission Staff has already cancelled the scheduled hearing, and Budget requests that the Commission Staff take any necessary steps to otherwise close this matter. Budget has discussed this matter with counsel for the ORS, and the ORS does not object.

Please contact me if you have any questions or need further information.

With kind regards,

s/ John J. Pringle, Jr.
