Mr. Charles Terreni,
Public Service Commission
Docketing Department, Docket # 2008-196-E
P.O. Drawer 11649
Columbia, SC. 29211

S. C. PUBLIC SERVICE COMMISSION
RECEIVED
JUL 22 2008
RECEIVED

Dear Mr Terreni,

I am writing to object to allowing SCE+G to start building their nuclear plant even before there has been an environmental impact statement. This new power plant could play havoc with our water supply, especially in the dry climate conditions we are having. Also, a significant amount of the power will probably be sold out-of-state — leaving S.C. to deal with the environmental damage!

Sincerely,
Connie Hudson
