I am a paying customer and i am having a hard time paying the balance every month,

i am on my Knees writing you this when will increase in rates and charges end's.

Because service isn't no better or upgrades it's lights + gas.

My pay check is not increse and why should there be any more. And if it get to the place when i can't pay who will help us.

Mrs Elizabeth A. Singleton

CLERK'S OFFICE

I am writting you this letter because i am on my Knee's and finding it hard paying the balance every month's Also when does it ends my pay check it not increse & why pay more it need to end and give more than light & gas. Why do you want more money than some people don't have Please answer that question?

And i am looking to hear from you
