I have been a customer of the company that is subject of this pending proceeding since 1997.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The increase proposed is irresponsible. The percentage they are asking is higher than what would be considered a cost of living/expense increase. The amount of increase proposed is indicative of poor management. The amount we pay for water is too high to begin with.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

No
