1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of this company account number [redacted]. I am a resident of Tega Cay. I also use Lake Wylie for recreation activity.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am against ANY increase to TCWS at this time. This would be the third significant increase in 6 years.
TCWS should not be awarded this increase as the level service provided -- from water and sewer to customer service is substandard.

I object to this increase as an 18% increase was awarded in 2010, and no significant upgrades to our outdated system have been made.

TCWS just received a significant increase 2 years ago, but pollution to our lake, water line leaks, sewage backups and overflows, poor water quality and substandard customer service are what Tega Cay is still left with. NO INCREASES are warranted and our rates are some of the highest in the country already. When we lived in Florida and had our fresh water shipped in from Georgia our water bill was half what it is here in Tega Cay.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

I am willing to do so.
