Gentlemen:

Please, please don't raise the "DP" bill so much that people on "fixed incomes" can't pay it!!!
Right now, I can pay my bills, but if things keep going up I don't know for how long.

I realize that things are going up but it seems that every time "they" raise our "S.S." something always happens to take it away.

If ya'll have not set the amt ya'll are going to charge, could ya'll not set it so much that we can't pay it!!!

Sincerely,

Ruthie Owen
