State why you are protesting the 48% increase
The cost of water/sewer is extremely high and has been for a number of years. We have the highest rates of all the communities in the surrounding area. For example, our average cost is $60 per month in Tega Cay. Property I have in Charlotte, the water bill is 1/3rd less at $39 per month. A 48% increase is outrageous.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

I will not be able to attend.
