2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Cost of power is already expensive and looking into the future with the cost of food, gas, clothing etc on the rise I feel that any increase in power would be an added burden on my finances. I have extensive back problems, facing surgery, and possibly having to retire - which means living on Soc Sec. My wife works for DSS and hasn't had a pay increase in years. She is also ready for retirement - (2 yrs).

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? * (This section should be completed.)
