Public Service Commission
Att: Docketing Dept.
Po Drawer 11649
Columbia, SC 29211

To whom it may concern:

I am writing to state my objection to SCE&G's requested 9.5% rate hike. As a senior citizen on a fixed income this rate hike would be harmful to myself and the citizens of South Carolina.

This madness of hiking rates, taxes, health insurance premiums has to STOP! We are destroying our economy.

Please - no rate hike!

Thank you.
