Ref. Docket No. 2009-489-E

I am outraged at the request of SCE&G for a 9.5% rate hike at this time. As a customer of theirs and at a time of economic struggle for most citizens I am opposed to this pending rate increase. Especially since SCE&G was approved for a 2.5% rate increase annually for the next decade on top of a 4.4% rate hike back in 2008. I request that you vote against this proposed request by SCE&G.

Sincerely

Thomas Korbutt
