We can not attend your public hearings, for we are your suffering poor, out of work, little old widow's, & little old men, in lack of $, but full of dignity. Our houses are cheap & heat goes right thru.

We will take our food & medicine money to pay Your increase, during this "SILENT", worst depression of all time! (Because I have No Voice, No say-so in this:

I wish to testify before Our Father God to "soften the hearts of the "Public Service Commission. To have mercy in the sight of Jesus on those less fortunate during this economic downturn; God help Us All
