This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Anderson-Clemson Shuttle Services, LLC (f/k/a Upstate Shuttle Service, LLC) (the Applicant) filed August 31, 2009, whereby the Applicant seeks approval of amendments to Class C Charter Certificate of Public Convenience and Necessity No. 7803-B and Class C (Taxi) Certificate of Public Convenience and Necessity No. 7916-A. The Applicant requests approval of a change in the scope of authority appearing on Certificate No. 7916-A and approval of a change in

the passenger restriction appearing on both Certificate No. 7916-A and Certificate No. 7803-B. A review of the docket files reveal that the Applicant was granted authority to operate under a Class C Charter Certificate of Public Convenience and Necessity (Certificate No. 7803-B) pursuant to Commission Orders: No. 2007-213, dated April 5, 2007; No. 2007-671, dated September 27, 2007; and No. 2009-144, dated March 6, 2009, and the Applicant's authority to operate under a Class C (Taxi) Certificate of Public Convenience and Necessity (Certificate No. 7916-A) was granted pursuant to Commission Orders: No. 2008-72, dated February 7, 2008; and No. 2009-144, dated March 6, 2009.

Currently, the Applicant's authority to provide passenger service under Certificate No. 7803-B reads as:

> ...to furnish passenger service...as follows:
>
> Between Points and Places in South Carolina,
> Restricted To: Seven (7) Passengers.

And, the Applicant's authority to provide passenger service under Certificate No. 7916-A reads as:

> ...to furnish passenger service...as follows:
>
> Between Points and Places in Anderson, Oconee, and Pickens Counties, South Carolina,
> Restricted To: Seven (7) Passengers.

The Applicant requests to amend the scope of operating authority under Class C (Taxi) Certificate No. 7916-A to statewide and to increase the passenger restriction from seven (7) to fifteen (15) passengers under both the Applicant's Class C and Class C Charter Certificates.

Based upon review of the matters asserted in the present requests, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 7916-A of Anderson-Clemson Shuttle Services, LLC by changing the scope of operating authority thereon from between points and places in Anderson, Oconee, and Pickens Counties, South Carolina to between points and places in South Carolina be, and hereby is, approved.
