2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Since the rate increase 2 yrs. ago we have had numerous water warnings to boil our water. Why is that? What happened to money from that 18% increase? We already had the highest rates in the county BEFORE the last increase? I say make their books available to the public like any other company has to account for their spending

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
