I am a customer of the Company that is the subject of this pending proceeding.

2. Please give a concise statement of your protest? (This section must be completed. Attach additional information if necessary.)

I protest another water hike in our utility bills. We already pay more than other cities of our size.

We already have had a hike like a few years ago that was to take care of any problems the water company would encounter

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer your testimony?

I will try to attend any meetings that concern this problem
