Re: Application of BellSouth Telecommunications, Inc. to Provide In-Region InterLATA Services Pursuant to Section 271 of the Telecommunications Act of 1996
Docket No. 2001-209-C

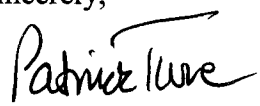
Dear Mr. Terreni:

In its July 19, 2002 Order in the above-referenced docket, the Georgia Public Service Commission ("Commission") adopted its notification process by which BellSouth Telecommunications, Inc., d/b/a AT&T South Carolina ("AT&T South Carolina") is required to provide notice and obtain Commission approval of changes to the method by which AT&T South Carolina's performance data is calculated. Under this Commission-approved process, AT&T South Carolina must provide written notice on the first business day of each month and conduct an industry conference call, after which parties have ten (10) business days to file written comments with the Commission concerning any of AT&T South Carolina's proposed changes.

Consistent with this Commission's Order, AT&T South Carolina has established a schedule for the industry conference calls that will be conducted during the year of 2010. The conference calls will be held on January 8, February 5, March 5, April 6, May 7, June 7, July 8, August 6, September 9, October 7, November 5, and December 7, 2009, and will be conducted at 2:00 p.m. (Eastern Time). AT&T South Carolina has taken the liberty of preparing a schedule (a copy of the 2010 schedule is enclosed) outlining these calls as well as the deadlines for AT&T South Carolina's filing written notification of proposed data changes and for interested parties' filing comments with the Commission.

Thank you for your attention to this matter.

Sincerely,



Patrick W. Turner
