To The Public Service Commission;
In accordance with the commissions' rules of Practice and Procedure in the matter of Duke Energy's request for a broad number of rate increases (docket no. 2013-59-E) below find: my request to appear as a party, "who wishes to present evidence with the right of cross examination", during a hearing set for July 31, 2013 at the PSC hearing room, Synergy Business Park, Saluda Bldg, 101 Executive Center Drive, Columbia, S.C. 29210.

In accordance with such rules and procedures it is my intent to appear and present facts and testimony against such rates increases and I will need no less than 30 minutes with the possibility of a few more minutes depending on Duke's time of cross examination.

Please note that as of this letter I do not have an E mail address as I am between carriers at this time, please mail any pertinent information I need to know to my address listed at the end of this letter.

Again, it is my intent, and I request the ability to present facts and testimony concerning Docket No. 2013-59-E.

It is with humble respect that I am at your service,
Thanx,
John F. Wiebel
