Although Chad has apparently not been able to reach Bob Guild, I am hereby granting extensions to pre-file testimony and exhibits in all three of the nuclear dockets, in light of the difficulties presented by the arrival of Hurricane Florence, including, but not limited to the fact that ORS personnel have assigned duties to carry out at the South Carolina Emergency Management Division. Obviously, I am not in a position to issue an official Hearing Officer's Directive at this time, since my office is closed, and I am working from my home computer. However, as soon as I am able to work again at my office, I will issue a Directive officially granting the following extensions in all three nuclear dockets:
Deadline for pre-filing responsive testimony and exhibits is extended to September 24, 2018;
Deadline for pre-filing rebuttal testimony and exhibits is extended to October 24, 2018;
Deadline for pre-filing surrebuttal testimony and exhibits is extended to October 29, 2018.
The deadline for filing of the pre-hearing briefs shall continue to be October 26, 2018, which is unchanged.

All other conditions for pre-filing testimony and exhibits in prior directives shall remain in full force and effect, other than the extensions of dates as stated above.

I thank you for your consideration in this matter, and ask all parties affected by the Hurricane to please take care in the coming days.

Regards,
David Butler
Hearing Officer

Hey David: no problem with extensions in all dockets. All Chad had to do was ask.

David -

Nanette and I have spoken and ORS has informed me that it is willing to consent to a similar extension of time in the 305 docket. ORS is also agreeable to an extension of time in the 207 docket subject, of course, to Bob's input. I'm going to reach out to Bob to see if he would be agreeable to a similar extension of time that has been proposed in the 370 docket. After I communicate with Bob, I'll report back to you.

Chad
