Dear Ms. Rhonda Hupfauer,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protestant File of the Dockets listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-318-E - Application of Duke Energy Progress, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow the Dockets and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: https://dms.psc.sc.gov/Web/Email; or you can follow the individual Dockets at the links listed below:

Subject: [External] Duke Power

I am writing to inform you that I, as well as every taxpayer in SC ,am opposed to the rate hike proposed by greedy Duke Power executives. I challenge you to do the right thing by the taxpayers of this great state.My power bill was $28.00/month when I bought my home 17 years ago.Today my average bill is $150/ month.Obviously,with the CEO making 21 million dollars per year,the company is enjoying wealth and profit! I hope you will not allow one red dime increase!We should not be held responsible for poor business planning of their failed nuclear plant.Please be the leader you are called to be and do the right thing by telling Duke Power "No more money ".They need to decrease extravagant salaries and budget like the rest of us.Most of us live paycheck to paycheck and the elderly and poor people of this state cannot afford this increase brought by GREED!Let them absorb the cost of their own mistakes,let them cut salaries and wasteful spending.Please listen to the public outrage and Do The RIGHT THING!!!Thank you very much!
