Re: AT&T Filing – FCC Docket WC 10-90 Connect America Fund

Dear Ms. Boyd:

We are providing the following information in compliance with FCC requirements.[1] No Commission action is required.

In August 2013, we notified the Commission that AT&T, on behalf of its incumbent local exchange carriers, accepted 2013 Connect America Fund (CAF) Phase I incremental support and that South Carolina wire centers were included in the initial list of identified locations where AT&T intended to deploy specified facilities.

On January 16, 2015, AT&T filed the attached cover letter notifying the FCC that AT&T is modifying its broadband deployment plans for meeting its CAF Phase I – incremental, Round 2 commitment. Also attached is a list of additional census blocks in South Carolina that are in the modified plan but that were not included in the initial list of wire centers we submitted in August 2013.

As mentioned in attached letter, a list of census blocks that were in AT&T's original deployment plan but that are not in AT&T's modified CAF Phase I incremental deployment plan will be in a subsequent FCC filing, and we will provide that list when available.

Yours very truly,

Cindy Cox

Executive Director

Re: Connect America Fund, WC Docket No. 10-90

Dear Ms. Dortch:

AT&T Inc. (AT&T), on behalf of its incumbent local exchange carriers (ILECs), accepted 2013 Connect America Fund (CAF) Phase I incremental support on August 20, 2013. At the time of acceptance, AT&T submitted an initial list of identified locations to which it planned to deploy broadband to meet its CAF Phase I service obligations.

In the intervening months, AT&T has modified its broadband deployment plans. As a result, pursuant to the requirements of 54.312(b)(3), we are now submitting a list of 7,931 census blocks not initially identified at the time of election. We will submit a list of census blocks that are no longer in our CAF Phase I incremental deployment plan in a subsequent filing as required. However, we note that while our initial list included locations in 12 states, our final deployment plan is now limited to nine states (AL, FL, GA, KY, LA, MS, NC, SC, and TN).

A copy of this notice is being sent to the Bureau, the Administrator and relevant state commissions. (There are no tribal locations in this deployment plan and thus no affected tribal governments.) Please do not hesitate to contact me should you have any questions regarding this filing.

Sincerely,

/S/ Mary L. Henze
