RE : Docket No. 2012-253-C
26 S.C. Code Ann. Reg. 103-607

Please be advised that iNetworks Group, Inc. has no local phone service in South Carolina. We have not provided local phone service since 2010. The majority of our services consist of private data lines: OC3's, OC12's, DS1's, DS3's, and Ethernet. The services are sold primarily to the US Government. Based on our sales we should not be required to have a performance bond.

Thank you.

Sincerely,

Rhonda Okleshen
