To whom it may concern:

I am a single parent at age of 59. Only working part time at my job. I just can't afford for light bill to go up any higher. Please take time about making light bill any higher..

Most people are old and living on a fix income to live. Please have mercy for the poor people in the world. My God didn't make all of his riche

Thank you
Patricia Millidge

Mercy please!
mercy please!
on the light bill
