RE: Petition of the Office of Regulatory Staff to Establish Dockets to Consider Implementing the Requirements of Section 1251 (Net Metering and Additional Standards) of the Energy Policy Act of 2005
Docket No. 2005-385-E

Dear Ms. Boyd:

In Order No. 2009-552 ("Order"), issued in Docket No. 2005-385-E, the Public Service Commission of South Carolina ("Commission") required South Carolina Electric & Gas Company ("SCE&G") to report annually to the South Carolina Office of Regulatory Staff ("ORS"), the South Carolina Energy Office, and the Commission regarding the number of net metering customers by renewable energy generator type. The Commission required that such report be filed within forty-five (45) days after December 31st of each year.

Pursuant to the Order, SCE&G hereby notifies the Commission that SCE&G has fifteen (15) net metering customers. Fourteen (14) of SCE&G's net metering customers use a solar photovoltaic system, and one (1) net metering customer uses a wind turbine.

By copy of this letter and pursuant to the Order, SCE&G is providing ORS and the South Carolina Energy Office with this report.

If you have any questions, please do not hesitate to contact us at your convenience.

Very truly yours,

Matthew W. Gissendanner
