APEX ELECTRIC 223133

I am outraged at the timing of SCE&G's request for an almost 10% rate increase. I can barely afford the current monthly payment. My job is during furloughs. I don't know how I can keep up with this rate increase and pay other bills and rent and buy food and dr. bills. I need help and raising

this is going to be a big pain on my behalf.

Thank you,

Keep the rates at a reasonable price!!
