Dear Mr Commission

I am writing to let you know I am a 72yrs old Handicap women this promble don't mean any thing to you, if the rate go up, I don't know how I will be able to pay any more, most of the time I have to get help paying in the winter time, and some time in the summer time I have health promble. Will you please send me futher information, I want be able to come to the meeting, I don't have a car I don't come out to much in the cold weather, I am not writing this letter for any one to pity me, I am writing the way I feel, I am on a can, and some time on a walker if want to call me) 864-646-2408)

Thank you
Love in Christ
God Bless
