On behalf DESC, I am writing to inform the Commission that DESC and DEV have expanded the scope of its existing services agreement for the purpose of sharing knowledge, expertise, and best practices in the areas of (i) non-nuclear generation services, (ii) transmission services, and (iii) distribution services. These services are more fully described in Exhibit I to the services agreement in Paragraph 9 entitled “Operations.”

Additionally, DESC and DEV have identified the need to exchange emergency services on an as-needed basis, consistent with the emergency services exchanged by member utilities under the Southeast Electric Exchange’s Mutual Assistance Program. These services are more fully described in Exhibit I to the services agreement in Paragraph 10 entitled “Emergency Services.”

For the services that DESC intends to provide and for the services that DESC intends to receive, these services will be charged in accordance with the provisions of Order No. 2018-804 as set forth in the services agreements.

Enclosed for filing only in the above-referenced dockets is a copy of the affiliate services agreements between DESC and DEV dated November 15, 2019. This agreement complies with all terms of the merger between SCANA Corporation and Dominion Energy, Inc. required in Order No. 2018-804 as well as S.C. Code Ann. § 58-27-2090 (2015).

By copy of this letter, we are providing a copy of this agreement to the parties of record in the above-referenced dockets.

If you have any questions or concerns, please do not hesitate to contact us.

Very truly yours,

K. Chad Burgess
