Re: Joint Application of Duke Energy Carolinas, LLC, Duke Energy Progress, LLC and Dominion Energy South Carolina, Incorporated (f/k/a South Carolina Electric & Gas Company) for Approval of the Revised South Carolina Interconnection Standard Docket No. 2015-362-E

Dear Ms. Boyd:

Duke Energy Carolinas, LLC ("DEC") and Duke Energy Progress, LLC ("DEP") hereby submit for filing the attached semi-annual Interconnection Queue Status Report for the period ending June 30, 2020, regarding the above-referenced matter. This report is provided pursuant to the Commission's April 26, 2016 Order Adopting Interconnection Standard and Supplemental Provisions in Docket No. 2015-362-E (Order No. 2016-191), which states:

> " ... the Utilities will provide semi-annual reports to the Commission and the ORS (to be submitted on or before February 1 and August 1 of each year) that would include the following information:
>
> a. each interconnection request identified by Queue Number and fuel type;
> b. date of issuance of Queue Number;
> c. the interconnection request's capacity;
> d. the substation to which the project will be interconnected;
> e. the feeder/circuit to which the project will be interconnected;
> f. the date the interconnection facilities (along with any required upgrades) were completed and available for operation;
> g. any interconnection requests that have been denied or withdrawn."

In compliance with the semi-annual reporting requirements on page 8 of the order, the report includes, as instructed, items (a) thru (g). Denied or withdrawn requests are captured under the status of "cancelled."

Additionally, pursuant to Order No. 2018-803 issued in Docket No. 2018-202-E, this Report designates those Interconnection Requests bidding in the North Carolina Competitive Procurement of Renewable Energy Program and those Interconnection Requests that were selected as winners.

Sincerely,

Rebecca J. Dulin
