Docket # 2009-479-605

To: Whom it may concern:

This is a request to deny bond rate requested by United Utilities and continue previous decision denying the rate increase. If possible we would lik to get a breakdown to the amount of waste, and ho do you determine the amount each household hav to pay. As the rate increase for the repairs of th pipes, if the homeowner has no insurance for the repairs of their pipes. United Utilities failed to ide re their customers.
