Public Service Commission
of South Carolina;

I won't be able to attend your meeting in Greenwood but I want to say please don't let Duke Energy raise our rates. We elderly live on a fixed income and some have less than a thousand a month. And its said we could go to the Salvation army for heating help (and other Charities) but I've been asked before have & received a cut-off letter. And how do we get to the Salvation Army? Some don't even have cars, or can't drive. Tell Duke Energy to keep the donations that they give to the Charities for the elderlys' heating help and leave the current rates as they are. Thank you for your help.
