Letter of Protest" to SCE&G About the Rate increase Again. I saw the news that SCE&G is Asking For Another Rate increase And I Realize it is not Been Aproved Dot I know it will Be Cause it Allways is, what Are you thinking? I Am not A person that Complains About much I know I Am Blessed And thank God he provides For our needs But I Am Just saying that God Also Specks About Money Being the Root of All Evil, I myself would like to know how people like me with [illegible] A month income And no food stamps Are Going To Aford the increase of high Rates? SCE&G or Asking? I Am For Saveing. with Everthing I was Raised that way that there is nothing to waste, let me Explain I Dont Run my Air Condition For the Simple Reason of SCE&G increase, All I Have is 2 Floor Fans And Keep my windows open For to keep Cool, And my Daughter tells me All the Time not to keep windows open Be Cause it is unsafe, so with my 2 Floor Fans And small Refridenater. And Micorwave that I Do most of my Cooking Be Cause whin I use my stove it only makes my house hotok, I wash close once A week And of Course I try to take Aleast one shower A Day. Yes I Could use more on hot Days But Again Cant Aford to. with these Few Luxery's And struggling to Servive my Electric Bill is still over 50 Dollors Amonth. Running my Air Condition would Be so nice And I Am in Bad Health I Have Diabetic And I Really
