1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Duke Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I want to protest the potential rate increase proposed by Duke Energy. I understand they are proposing a 16% rate increase. I am retired and on a fixed income. With the economy + rising prices of groceries, gas, etc., a rate increase like this is very unfair, especially to older customers.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No
