Re: Federal Communications Commission WC Docket No. 16-317 (*Access Charge Tariff Filings Introducing Broadband-Only Loop Service*) — Copies of Information Required to be Filed with the FCC, USAC, and State Commissions pursuant to 47 C.F.R. §§ 51.917 and 54.304

Dear Ms. Boyd:

Enclosed for filing on behalf of Chesnee Telephone Company please find revised Connect America Fund (CAF) tariff data and the accompanying certification. This revised filing replaces the information that was previously filed on December 19, 2016 for Chesnee Telephone Company. Pursuant to 47 C.F.R. §§51.917 and 54.304, carriers are required to provide to the state commission a copy of the certifications and tariff data they file with the Federal Communications Commission ("FCC"). The enclosed tariff information contains proprietary customer demand and related data, and has been filed with the FCC and USAC on a confidential and proprietary basis. Accordingly, we are filing public redacted versions, and the confidential information is being provided to the commission under seal.

This information is being filed with the FCC and USAC for review in connection with the federal Connect America Fund. We are providing this data and accompanying certification to the Commission, as required by FCC regulations, for information only. The Commission is not required or asked to take any action at this time.

Thank you for your assistance. If you should have any questions, please do not hesitate to contact me.
