Re: S. C. electricity & Gas 3/3/10. 222360

To Whom it may Concern:

I'm elderly living on $694. a month social security. I did not get any raise in my social security check but the cost of living has gone up. I have to get food stamps. I'm struggling just to live. Please consider people on Social Security. Charity such as Salvation Army or United way may help with one bill. Please consider us!
