Docket No. 2015-238-C

Re: Application of Vitcom, LLC for a Certificate of Public Convenience and Necessity to Operate Facilities-Based and Resold Local Exchange and Interexchange Telecommunications Services in the State of South Carolina	)	**PETITION TO INTERVENE**

In response to the Commission's Notice of Filing of the Application of Vitcom, LLC ("Vitcom") for a Certificate of Public Convenience and Necessity to Operate Facilities-Based and Resold Local Exchange and Interexchange Telecommunications Services in the State of South Carolina, the South Carolina Telephone Coalition ('SCTC") submits the within Petition to Intervene in this proceeding. In support of its Petition, SCTC would respectfully show unto this honorable Commission that:

1. SCTC is a coalition of local exchange telephone companies organized and doing business under the laws of the State of South Carolina. SCTC's members are telephone companies or telephone cooperatives subject to the jurisdiction of this Commission.

2. SCTC seeks to intervene in this proceeding with full rights to participate as a party of record insofar as its interests might appear.

3. SCTC's individual member companies provide local exchange telephone service within their respective geographic service areas. SCTC's position in this docket is that statewide certification of new entrant local exchange telecommunications service providers is not appropriate and is not in the public interest. The Application, as currently drafted, would potentially impact each of the SCTC member companies and, therefore, the SCTC has an interest in this proceeding.

4. Correspondence and communications to SCTC with respect to this proceeding should be directed to the undersigned counsel.

WHEREFORE, the South Carolina Telephone Coalition respectfully requests that this honorable Commission permit its intervention in this proceeding as its interests might appear.

Respectfully submitted,

M. John Bowen, Jr.
