Dear Sirs,

This is the fourth time I have written to you about this WNA The Power Company has the Power to take Money under false Pretens of the W.N.A. When it was started 3 years ago you said it was given to them, so as not to Raise Gas prices. Well they have had a lot of Raises and still have WNA.

My Bills have been in the Past 3 Month over $300.00 I guess the Elderly dont get much of a break. I only get a little each mo and they take it away. Please on the behalf of the Old People No. More.

George Kammerer.
