Hello, Public Service Commission of South Carolina:
Clerk's Office:

received your Card for Duke Energy to adjust and increase the Company's Electric Rates and Charges. Since I can be at the public Hearing at Greenville County Council Chambers here for the public Hearing Wed. 11/9/2011 I am writing to you.

Questions (1) What about Seniors?

(2) What about people without Jobs and can't and want Jobs to earn a Living?

(3) It a bad time to adjust and Raise Rates and Charges?

(4) It's hard enough with Possession and right now it won't get better.

(5) Does this have to do with Tax and trade that is wrong to do to the People?

for many, many people to do this?
I don't understand - I always felt
Duke energy was a good company
who tried to help others out here.
It's hard enough on folks now the
way things are, going right now.
I can understand Duke energy -
so why can't they understand
the customers.
I do my best to make sure my
bill is paid on time so why
raise rates & charges on people
out here!
Thank you for listening and this
is my opinion.

Kindly,
Elizabeth Creager
Senior Citizen.
