Docket 2009-489-E

3-10-2010

To whom It May Concern:

I am a 79 year old widow on a fixed income, and I cant stand another SCE&G rate increase.

I dont have, and I never have had a dish washer, nor a clothes dryer. I dont cook every day, and I wash clothes once, sometimes twice a week in cold water.

I cut every corner I can to keep my power bill down, these last couple of months I have turned my thermostat off, and closed my self up in a room with a small electric heater to stay warm. There is no more corners I can cut.

Have a little mercy and dont let them raise rates again.

Thank you

Ollie Todd
