PSC SC
CLERK'S OFFICE

I'm 80 years old and will not attending above mentioned hearing. I OPPOSE any increase, in either or both, of water or sewage. Customers pay a high enough price now.

In the U.S. now it seems the few pay more than a majority. It takes all we have in income to live.

Persons my age should not have to pay for water or sewage as we have paid our dues --- We should be able to enjoy life a bit.
