and	)	
Docket No. 2007-155-C – Application of Inter-Tel NetSolutions, Inc. for a Certificate of Public Convenience and Necessity to Provide Resold Facilities-Based/UNE Local Exchange Telecommunications Services and for Flexible Regulation	)	

This matter comes before the Public Service Commission of South Carolina (the "Commission") on the application filed by Inter-Tel NetSolutions, Inc. ("Inter-Tel" or the "Company") for approval of a name change. Pursuant to the authority granted by this Commission, Inter-Tel currently holds a Certificate of Public Convenience and Necessity to provide resold intrastate interexchange telecommunications services in South Carolina (Order No. 97-300, dated April 10, 1997, in Docket No. 1996-364-C) and a Certificate of Public Convenience and Necessity to provide resold local exchange telecommunications services in South Carolina (Order No. 2007-586, dated August 17, 2007, in Docket No. 2007-155-C).

Upon Inter-Tel's filing, the Commission's Docketing Department instructed the Company to publish a Notice of Filing in newspapers of general circulation in the areas affected by the name change request. Inter-Tel complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. The purpose of the Notice was to provide notification of the present proceeding to any interested parties and to advise interested parties of the manner and time in which to file pleadings to participate in the docket. No protests or Petitions to Intervene were filed in this matter. The matter now comes before the Commission for disposition.

By informational filing received January 16, 2009, Inter-Tel advises the Commission that the Company has changed its name to Mitel NetSolutions, Inc. As a result of the name change, according to Inter-Tel, there has been no corporate restructure, change in ownership or change in terms and conditions of the Company's tariff with the exception of the Company's name. Further, Inter-Tel files with the Company's request a copy of the Application for an Amended Certificate of Authority by a Foreign Corporation to Transact Business in South Carolina filed with the South Carolina Secretary of State and a revised tariff reflecting the Company's new name, Mitel NetSolutions, Inc.

After review and consideration of Inter-Tel's request, the Commission concludes that the request for approval of a change in the Company's name should be granted.

IT IS THEREFORE ORDERED THAT:

1. The application for approval of a change in the name of Inter-Tel NetSolutions, Inc. is approved, and accordingly, the Commission's records will hereby be amended to reflect the Company's new name of Mitel NetSolutions, Inc.

2. This Order shall remain in full force and effect until further Order of the Commission.
