Re: Docket # 2009-489-E

Public Service Commission
of So Carolina
Attn: Docketing Dept.
P.O. Drawer 11649
Columbia, SC 29211

I don't believe you would allow a rate increase for SCE&G in this time of economic struggles when most of the working public, persons and others are not getting any increases in their income. Now are getting cuts

Please do not allow this increase to take place.

Thank you in advance.
