Dear Mr. English,

This is to acknowledge receipt of your Letter of Protest filed with the Public Service Commission of South Carolina. Your Letter of Protest will be placed in the Protest File of the Docket listed below and on the Commission's Website at [www.psc.sc.gov](http://www.psc.sc.gov).

- Docket No. 2016-29-WS - Application of Harbor Island Utilities, Incorporated for Approval of a New Schedule of Rates and Charges for Water and Sewer Service on Harbor Island, Beaufort County

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

If we may be of further assistance to you, please do not hesitate to contact us.

Hope H. Adams  
Administrative Coordinator

State\* SC

Zip \* 20501

Phone \*

E-mail

**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am the owner of a condo unit on Harbor Island that is served by this utility

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I feel that business practices should have been used through the years that would have taken into account equipment maintenance as well as the increases in costs to provide water and sewer service to the island. These increases should have been factored in during each year instead of waiting 10 years and asking for basically a 100% increase in fees. I feel that the amount of increase per 1000 gallons is out of line. Smaller increases I can understand but what is being asked for is too much all at once.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

I am from out of town and will not be able to attend in person.
