Subject: [External] Pro Hac Vice Admission

Ms. Boyd,

I was admitted pro hac vice to represent the North Carolina Sustainable Energy Association in Docket Nos. 2019-169-E and 2019-170-E. On October 28, the Commission issued an order directing Duke to file their tariffs in new dockets (2020-264-E and 2020-265-E) and also making all of the parties to 2019-169-E and 2019-170-E parties to the new dockets.

While the order makes clear that NCSEA is a party to the new dockets, I am unsure of whether my pro hac vice admission carries over to the new dockets. Do I need to file new pro hac vice applications, or will my current admissions transfer over? Further, if I do need to file new applications, do I need to do two applications or would a single application suffice?

Thanks for your help,

Peter
