DOCKET NO. 2007-334-WS

Application of Carolina Water Service, Inc. for Approval of a Contract with Autumn Cove, LLC to Serve Phases V, VI and VII of the Autumn Cove Subdivision in York County.

Carolina Water Service, Inc. ("Applicant" or "Utility") has filed an application with the Public Service Commission of South Carolina ("Commission") pursuant to 26 S.C. Code Ann. Regs. 103-541 and 103-743, for approval of a contract between it and Autumn Cove, LLC ("Developer") to serve Phases V, VI and VII of the Autumn Cove Subdivision in York County.

The Applicant is a public utility currently authorized to operate water and wastewater systems under the jurisdiction of the Commission in York County, as well as certain other counties in the state. The Applicant and Developer have entered into an Agreement dated August 01, 2007 ("Agreement") for water and wastewater utility service provided by the Applicant.

According to the Application, the Utility seeks to serve Phases V, VI and VII of the Autumn Cove Subdivision ("Development") which will consist of approximately one hundred ninety single family homes with a pool and amenities area when completed. The Agreement provides, among other things, that the Developer will construct all of the necessary water distribution and wastewater collection facilities ("Facilities") required to serve the Development, interconnect the Facilities with the Utility's existing water and wastewater systems, acquire all necessary easements and rights-of-way ("Easements") and convey such Facilities and Easements to the Applicant.

The Application reveals that the proposed development is within the Applicant's Commission authorized service area in York County and no other public utility is authorized to serve the proposed development.
