Re: Taxicab Authority / Zack Taxi

Dear Mrs Schmieding,

I spoke to Mrs Daphne Duke earlier today, regarding two request about the application for Zack Tax.

First, I would like to request that the name be changed to Zack's Taxi instead of Zack Tax.

Secondly, May I request an expedited review for my application I was approved a few months ago & even had the car inspected, but was unable to put the car I was going to use in service

due to that car being hit in a traffic accident. By the time the car was repaired it was to late in the year to place it into service.

I had a nice conversation with Mrs Durbe & she said that you could possibly assist in my expeditioning requests.

Should you need to call me my home # is 843 365-6104 & my cell # is 843 516-4046.

Thanking you in advance Mrs. Schmieding, I remain

Sincerely —
