2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am a retired widow + live on a fixed income. Without watering the yard or company my bill is $60 p/month. Another high increase would limit my spending so I will need to let my yard go, decide what other utilities, insurance, to pay each month. For instance my health, car & home insurance bills just increased. Also I paid $60 one month & they didn't credit it, they promised to call back saying they had so many $60 payments to look through, no response. Then

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No thanks

I receive a check for $60.00 + late a bill which includes the past due amount of $60. They need to hire professionals who know what they are doing!
