RE: Petition of South Carolina Electric & Gas Company for Updates and Revisions to Schedules Related to the Construction of a Nuclear Base Load Generation Facility at Jenkinsville, South Carolina Docket No. 2016-223-E

Dear Ms. Boyd:

This letter serves as SCE&G's response to the Petition for Rehearing or Reconsideration of Sandra Wright, filed with the Commission on December 12, 2016. The Commission entered Order No. 2016-794 in Docket No. 2016-223-E on November 28, 2016. According to the Commission's Docket Management System, Ms. Wright accepted service of the Order that same day. Therefore, Ms. Wright is time-barred from filing a Petition for Rehearing or Reconsideration.

Pursuant to S.C. Code Ann. § 58-27-2150,

After an order or decision has been made by the Commission any party to the proceedings may within ten days after service of notice of the entry of the order or decision apply for a rehearing in respect to any matter determined in such proceedings and specified in the application for rehearing, and the Commission may, in case it appears to be proper, grant and hold such rehearing.

Given that the Order was served on Ms. Wright on November 28, 2016, her time to file a Petition for Rehearing or Reconsideration expired on Thursday, December 8, 2016.

Therefore, SCE&G respectfully requests that the Commission deny Ms. Wright's Petition for Rehearing or Reconsideration on the basis that it was not timely filed. Should the Commission choose not to deny the Petition for this reason, SCE&G requests a reasonable amount of time to file a response to the Petition.
By copy of this letter, we are providing the parties of record with a copy of this filing and have attached a certificate of service to that effect.

If you have any questions, please advise.

Respectfully submitted,

Matthew W. Gissendanner
