Dear David,

On behalf of AARP SC I would like to share in the response of ORS. We do not have any comment on the proposed dates and times, but we do believe that it is important there be at least one public hearing outside of Columbia to allow for consumers in parts of the state that are impacted by this proceeding to have an opportunity to participate.
By holding hearings only in Columbia, many ratepayers, especially those who are low income and/or without transportation will not have an opportunity to share their concerns. On behalf of Teresa Arnold, State Director of AARP SC, and the 625,000 members of AARP SC I want to emphasize that this issue is too important to not hold hearings around the state. Thank you for your consideration,

Sue
